Escaped Uninjured.

The horse was instantly killed and the wagon slightly damaged. Noole appeared to be hurt and Miller & Blanchard's ambulance was called. Upon being brought up town he declared that he was all right and he went to a hotel, having been nothing more than bruised in the accident.

BIG LOSSES

A Million Tons of Seed Damaged by
Moisture and Frost.

New Orleans, Oct. 15.—The present cotton seed situation is without parallel in the history of southern agriculture and manufactures. At the lowest calculations \$1,000,000 tons of cotton seed, which have already been ginned or are to be ginned, within the next 30 days, have been so damaged from the moisture, germination of seed in the open boll, and frost, that no one can approximately place a valuation on these million tons. It seems likely to increase discord between planters and oil mills.

A Veteran Dead.

George Gurney, a veteran of the civil war, died at his home in Paris township yesterday. Deceased was 82 years of age, and was a retired farmer.
